

《墨西哥总统为其会见特朗普辩护 却无意出现了#希拉里.特朗普热门》

导读:墨西哥人对其总统会见特朗普表示了极大地愤怒，总统口误却成热门话题。

Mexican president Enrique Peña Nieto's tough week continued on Thursday, even as he tried to move on from the controversy caused by his meeting on Wednesday with republican presidential candidate Donald Trump.

?????????.??? ??????????????????????, ?????????????????????

Speaking at a town-hall style meeting just hours after delivering his annual state-of-the-nation report to congress, Peña Nieto again defended his decision to host Trump in Mexico for a private meeting and press conference.

???. ???

He said the easier path would have been to "cross my arms" and do nothing in response to Trump's "affronts, insults and humiliations," but he believed it necessary to open a "space for dialogue" to stress the importance of the U.S.-Mexico relationship, the Associated Press reported.

?????????????"???" ??????????" ??????????" ??????????????????????"???" ?????????????????????

"What is a fact is that in the face of candidate Trump's postures and positions, which clearly represent a threat to the future of Mexico, it was necessary to talk," Peña Nieto said. "It was necessary to make him feel and know why
