

## 《小米开始圈钱了，将于下周提交赴港上市申请》

市场消息指出小米将在下周一提交赴港上市申请，希望IPO后估值可以达到900亿至1100亿美元。适逢港交所下周一起首推“同股不同权”，因此小米或成为同股不同权首批股份。

China's tech company Xiaomi may file its application for an initial public offering to the Stock Exchange of Hong Kong next week, reported securities news portal cs.com.cn Thursday.

????????????-????????????????????????????????????

This might be the first IPO when IPO applications under dual-class shares structures would be accepted starting April 30. Market insiders said that Xiaomi was confident of a valuation of over \$100 billion while rumored valuations varied between about \$70 billion and \$200 billion.
