

《中考英语阅读理解专项训练及答案（11）》

阅读下面的短文，然后根据短文内容选择正确的答案。

Welcome to the Science Museum!

The Science Museum is a great place to explore and learn about the wonders of science. Whether you ' re interested in space, physics, or biology, there ' s something for everyone at our museum.

Our interactive exhibits will allow you to have a hands-on experience with science. You can test your knowledge of the solar system, conduct virtual experiments, and even touch real fossils. Our friendly staff is always available to answer any questions you may have.

In addition to the exhibits, we also offer daily shows and workshops. You can watch exciting demonstrations by scientists, participate in chemistry experiments, or learn how to build your own robot. There ' s never a dull moment at the Science Museum!

Admission to the museum is free for children under 12. For adults, the ticket price is \$10. We also offer discounted tickets for seniors and students. Don ' t forget to bring your ID to enjoy the special rates.

So come and visit the Science Museum today. It ' s a place where learning is fun!
