"Crackle", a burst of firecrackers sound, the annual dinner is ready! Of course, the food will never forget the land grandpa, a few incense, a few bowls of dishes and a bowl of rice, pray for the land grandfather, the next harvest. Next, he was seated. After dinner, everyone sat by the stove and talked. Grandpas grandmother is busy at this time! Eating rice (or reunion dinner) is one of the most important customs of the Spring Festival, and everyone will be back to share this wonderful moment with their families. Theres always a lot to say, work, family, etc. The time of the meal is different, as long as the family is all together, when you want to eat.

This day, is the first day, just got up, heard outside the door a New Years voice: "give you old New Year!" "Ah! Here comes the happy New Year!" "Happy New Year! At this time, grandmother is busy making breakfast, grandpa is busy greeting people. "Sit down? "No, no." This conversation will always be heard many times. I hurried to finish my breakfast and the little uncle and they went out. The little uncles twin daughters, purple and purple, were carrying a bag, and the contents of each bag would add a little, but they were happy. The so-called "New Year" is going from house to house, sometimes sitting for a while, chatting or something. And the child is carrying a bag to worship sugar. Say it, I dont have it!
